

Mainstream News

Information about hearing loss for students, families and educators

Published five times each school year (September through June) by Clarke Mainstream Services, **Mainstream News** helps students, parents, and professionals work together more effectively. This newsletter addresses a broad range of issues related to mainstreaming, including both practical information and social/emotional adjustment to hearing loss.

Past topics include:

- Receiving a New Student: FM Considerations* •
- Teaching Strategies: When Hearing Aids, Cochlear Implants, or FM Systems Are Not Working* •
- Finding and Making Friends* •
- Music and Hearing Loss in Schools* •
- Student Participation in Educational Planning*

Rates for the 2009-2010 School Year:

\$40.00 for a single subscription

\$90.00 for a school team (8 copies per issue)

All orders must be prepaid.
